Dear Harry Davis:

Revised Eligibility Determination: This supersedes any previous Eligibility Determination letter you have received.

Your Eligibility Form for the September 11th Victim Compensation Fund (VCF) has been reviewed. You submitted an Eligibility Form for Personal Injury Claimants. Your claim number is VCF0019329.

The Decision on your Claim

The VCF has determined that you meet the eligibility criteria established in the statute (the Zadroga Act and the original statute) and regulations¹ and therefore the VCF will review your Compensation Form and supporting materials to determine the amount of any award. Based on the information you submitted and information the VCF has received from the World Trade Center Health Program (WTCHP), you have been found eligible for the following injuries:

- ASTHMA, UNSPECIFIED, UNSPECIFIED STATUS
- CHRONIC RHINITIS
- ESOPHAGEAL REFLUX
- MULTIPLE MYELOMA
- OTHER CHRONIC BRONCHITIS
- SIMPLE CHRONIC BRONCHITIS
- UNSPECIFIED SINUSITIS
- **INJURIES THAT WERE FOUND ELIGIBLE BY THE FIRST ITERATION OF THE SEPTEMBER 11TH VICTIM COMPENSATION FUND THAT OPERATED FROM 2001 TO 2004 ("VCF1")**

Please note that there are several reasons why an injury that you think should be eligible is not listed above. First, for non-traumatic injuries, the description of the injury is based on the information provided by the WTCHP and there can be several alternative descriptions for the same injury. Additionally, a WTCHP physician may have provided testing or treatment for an injury even if the WTCHP has not

¹ The Statute (the Air Transportation Safety and System Stabilization Act as amended by the Zadroga Act) and the Regulations are located at <http://www.vcf.gov/lawRulesOtherDocs.html>.

certified that injury for treatment. Finally, your injury may not be listed if it was only recently certified for treatment by the WTCHP. The VCF regularly receives updated information from the WTCHP and will notify you if additional injuries have become eligible.

What Happens Next

The VCF will determine your compensation award based solely on the eligible injuries listed above. In order for the VCF to do so, you must submit the Compensation Form for Personal Injury Claimants and the required supporting documents. If you have not already done so, please submit the Compensation Form and the required supporting documents as soon as possible. You are encouraged to submit the Compensation Form through the VCF's web-based claim system at www.vcf.gov. If you wish to complete the Compensation Form in hardcopy, you may request the form by contacting the toll-free Helpline at 1-855-885-1555. For the hearing impaired, please call 1-855-885-1558 (TDD). If you are calling from outside the United States, please call 1-202-353-0356.

In addition to the Compensation Form, please also complete and submit the VCF ACH Payment Information Form. This form can be found on our website in Section 8 of the FAQs. The completed form must be submitted before the VCF can arrange for any payment.

The VCF will be able to determine your compensation award based on the eligible conditions after all compensation related documents are submitted. When you receive an award letter, you will have the right to appeal. In that appeal, you have the right to assert additional injuries that you believe are eligible and for which you believe you should be compensated. For purposes of the statutory deadlines, the injuries listed in your claim form and the injuries certified as eligible will be deemed "filed". You will receive instructions on the appeal process when you receive the letter with details of your compensation award.

If you have questions about the information in this letter or the claims process in general, please contact our toll-free Helpline at the number noted above. Every effort will be made to respond to your inquiries as soon as possible.

Sincerely,

Dear Stephen Vaughan:

Your Eligibility Form for the September 11th Victim Compensation Fund (VCF) has been reviewed. You submitted an Eligibility Form for Personal Injury Claimants. Your claim number is VCF0018025. The Claims Evaluator determined that your Eligibility Form was substantially complete on January 3, 2014. As stated in the Regulations and on the Eligibility Form, by filing a substantially complete Eligibility Form, you have waived your right to file or be a party to a September 11th-related lawsuit.¹ For more information about this topic, please review Frequently Asked Questions (FAQ) 7.1-7.4 on <http://www.vcf.gov/faq.html>.

The Decision on your Claim

The VCF has determined that you meet the eligibility criteria established in the statute (the Zadroga Act and the original statute) and regulations and therefore the VCF will review your Compensation Form and supporting materials to determine the amount of any award. Based on the information you submitted and information the VCF has received from the World Trade Center Health Program (WTCHP), you have been found eligible for the following injuries:

- Malignant Neoplasm Of Tonsil

Please note that there are several reasons why an injury that you think should be eligible is not listed above. First, for non-traumatic injuries, the description of the injury is based on the information provided by the WTCHP and there can be several alternative descriptions for the same injury. Additionally, a WTCHP physician may have provided testing or treatment for an injury even if the WTCHP has not certified that injury for treatment. Finally, your injury may not be listed if it was only recently certified for treatment by the WTCHP. The VCF regularly receives updated information from the WTCHP and will notify you if additional injuries have become eligible.

What Happens Next

The VCF will determine your compensation award based solely on the eligible injuries listed above. In order for the VCF to do so, you must submit the Compensation Form for Personal Injury Claimants and the required supporting documents. If you have not already done so, please submit the Compensation Form and the required supporting documents as soon as possible. You are encouraged to submit the Compensation Form through the VCF's web-based claim system at <http://www.vcf.gov>.

¹ The Statute (the Air Transportation Safety and System Stabilization Act as amended by the Zadroga Act) and the Regulations are located at <http://www.vcf.gov/lawRulesOtherDocs.html>.

In addition to the Compensation Form, please also complete and submit the VCF ACH Payment Information Form. This form can be found on our website in Section 8 of the Frequently Asked Questions (FAQs). The completed form must be submitted before the VCF can arrange for any payment.

The VCF will be able to determine your compensation award based on the eligible conditions after all compensation related documents are submitted. When you receive an award letter, you will have the right to appeal. In that appeal, you have the right to assert additional injuries that you believe are eligible and for which you believe you should be compensated. For purposes of the statutory deadlines, the injuries listed in your claim form and the injuries certified as eligible will be deemed "filed". You will receive instructions on the appeal process when you receive the letter with details of your compensation award.

If you have questions about the information in this letter or the claims process in general, please contact our toll-free Helpline at the number noted above. Every effort will be made to respond to your inquiries as soon as possible.

Sincerely,

Your Eligibility Form was determined to be substantially complete on March 06, 2018. As stated in the Regulations and on the claim form, by filing a substantially complete Eligibility Form, you have waived your right to file or be a party to a September 11th-related lawsuit on behalf of the decedent and his or her survivors.

The Decision on your Claim

The VCF has determined that the decedent has met the eligibility criteria established in the statute and regulations. Based on the information you submitted and information the VCF has received from the World Trade Center ("WTC") Health Program, the decedent has been found eligible for the following injuries:

- LUNG CANCER

Please note that there are several reasons why an injury that you think should be eligible is not listed above. For non-traumatic injuries, the name of the injury is based on the information provided by the WTC Health Program and there may be different names for the same injury. Additionally, your injury may not be listed if it was only recently certified for treatment by the WTC Health Program.

If in the future the WTC Health Program should notify you that a condition previously found eligible is no longer certified, you must inform the VCF as this may affect your eligibility status and/or the amount of your award.

What Happens Next

If the decedent was certified for treatment by the WTC Health Program for a condition not listed above, you should amend your claim. Please see the VCF website for details on how to amend your claim. The VCF will review the new information and determine if it provides the basis for a revised decision.

If you believe the decedent had eligible injuries not treated by the WTC Health Program and you would like the VCF to consider those injuries before calculating the amount of any compensation, you should amend your claim. If you choose to amend your claim, you will need

If in the future the WTC Health Program should notify you that a condition previously found eligible is no longer certified, you must inform the VCF as this may affect your eligibility status and/or loss calculation.

What Happens Next

If you have been certified for treatment by the WTC Health Program for a condition not listed above, you should amend your claim. Please see the VCF website for details on how to amend your claim. The VCF will review the new information and determine if it provides the basis for a revised decision.
